

ALTA LOMA CHRISTIAN SCHOOL

ACSI Accreditation Candidate School

Building Up and Reaching Out since 1980

Dear ALCS Family,

God is truly working here at His school! On behalf of the faculty and staff of Alta Loma Christian School, thank you for choosing to partner with us to educate the hearts and minds of your children.

As we prepare for the 2010-2011 school year, we are excited at the promises God has for us in the new school year. Three years ago, our School Board made the decision to embark upon the journey of accreditation, and our entire school community has worked diligently to meet or exceed these standards. We are looking forward to our ACSI/WASC joint visit this March, and give God the glory for everything He has enabled us to accomplish through the completion of the self-study. God has provided technology for our classrooms, committed teachers to nurture and disciple those who come through our doors, and provided for our needs above and beyond what we could ask or think. We are not a Christian school because we teach Bible verses and have scripture lessons each day, but rather we are a Christian school because Biblical principles permeate every aspect of our school. Our teachers have a deep love for our Lord and for training young minds to become life-long learners who have a Biblical worldview. Children learn that all knowledge and truth come from God and that He cares about every aspect of our life.

The enrollment period for returning families begins January 25 and for new families February 16. There is a registration discount for registering on or before February 26, 2010. Please read the re-enrollment packet carefully, and contact the school office with any questions.

Thank you for choosing to be a part of our family at Alta Loma Christian School!

In His Grace,
Lori Johnstone, Principal
