## DEVELOPMENT FUND CONTRIBUTION 2010/2011

The Development Fund Contribution (DFC) for 2010/2011 will remain at \$300 per family. This fee is due in full by June 1, 2010. Please check with your tax advisor to see if all or part of your DFC may be used as a tax deduction.

In addition to fundraising opportunities, the DFC contributes to the ongoing development of Alta Loma Christian School. This fee covers the cost of ongoing facility maintenance for our buildings and the grounds. We are blessed to have a campus that meets the educational needs of our students and are looking forward to our continued growth and expansion with the additional phases of our building project. Jeremiah 29:11 promises us, "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

Our Parent Teacher Fellowship will continue to offer opportunities to raise funds for additional needs, therefore, we will have our auctions and walk-a-thons (one or the other each school year) all in support of our mission statement, "Building Up and Reaching Out."
