Building Up and Reaching Out

WELCOME TO A NEW YEAR!

We are so excited to have everyone back on campus again! Classes began on Monday, August 24, and it's already shaping up to be a great year. We enjoyed giving everyone a sneak peek at their new classrooms on August 20th during Student Orientation Day. Parents got a chance to come back for a more in depth look at how our classes work on Parent Information Night on August 27th. We are so blessed to have such an incredible staff and student body. God has great things in store for the coming year!

NEW MIDDLE SCHOOL PROGRAM IS A HIT

ALCS kicked off a brand new middle school program for our 6th through 8th grade students this fall, and so far it seems to be quite a success. Students now rotate between classes and teachers and store personal materials and school supplies in their own lockers. Core classes include Bible, Math, History, Science, and Language Arts, while students enjoy traditional enrichment courses in Spanish, P.E., and Computer. Middle school students also have two periods of Study Skills each week along with a period of Library Science and an elective period on Tuesdays. Students will experience a different elective each trimester: Music, Art, and Photography. We are so thrilled to be able to offer a program which will better prepare our middle school students for the rigors of high school as well as provide them with fantastic new experiences while they are still in middle school!
