Dear Parents,

We are so thrilled to send you this packet which unveils our new middle school program here at Alta Loma Christian School. Starting this fall we will begin implementing a program for our sixth through eighth graders which draws on specific research and recommendations for students at those grade levels. It is our desire to provide these students with the highest quality education possible while meeting their unique developmental needs at this important stage of their lives. We also want to prepare them for the challenges they will face in the future, making the transition from elementary school to high school as seamless as possible. Many factors have been considered as we have crafted a program that we believe will make great strides toward all of these goals.

Please take a few moments to browse the contents of this newsletter and familiarize yourself with our vision for middle school here at ALCS. If you have any questions at all, do not hesitate to contact the school office. It is our prayer that the Lord will lead you as you consider all the available options for your middle school student next year, and we will be more than delighted if He leads you to us!

Many blessings,

The ALCS Administration Team
