- ✚ Thank you for considering Alta Loma Christian School. Please contact the school office to arrange a personal tour of our school. We would also encourage you to visit our website at [www.alchristian.com](http://www.alchristian.com) to learn more about our school programs.
- ✚ Alta Loma Christian School does not discriminate on the basis of race, color, or national or ethnic origin in its educational or admission policies. The school reserves the right to select students on the basis of academic performance and personal qualifications in keeping with our school's philosophy. In signing the parent commitment form, parents commit to have their children taught in accordance with our statement of faith.
- ✚ Please complete an application for admission and return it along with a copy of your child's shot records and birth certificate. The registration fee is due at this time as well, and holds your child's place in the class. Your child's shot records must include proof of Chicken Pox immunization, or your doctor must state that your child has had chicken pox. A physical examination from your child's doctor must be submitted to us before the first day of school.
- ✚ After reviewing the application, the office will contact the parent to schedule a family interview. Then the registration fee and paperwork will be processed. A student is not considered enrolled in Alta Loma Christian School until all required paperwork has been completed. If a student not accepted for enrollment, the registration fee will be refunded. In all other circumstances, the registration fee is non-refundable.
- ✚ The school office hours are 7:30-3:30 and our office phone number is 909-989-2804. We are excited to partner with you in educating your child. May God bless you in your parenting efforts!
